Last week we had a visit from a National leader of the Ku Kux Klan. We enjoyed talking to him, and were glad to see a man sufficiently concerned with saving our race and nation to try to do what he can about it.

But his visit also disturbed us.

We have come to know the methods of the Jew agitators so well that we hate to see one rare white man who will FIGHT playing into the hands of the betrayers.

And most of the Southern White men are doing exactly that: playing into the hands of their mortal enemies.

The situation is very much like a bull fight.

The bull in a bull fight is certainly stronger and perhaps braver than the piccadores and bandarillos who torture and goad him to distraction.

But not many bulls win bull fights.

And the reason they don't win is because the bull fights THE WRONG THING! He charges bravely again and again at a red rag, - when one good charge at the puny man BEHIND the red rag would give him a quick and total victory. But the bull always plays into the hands of the bull-fighter by exhausting himself charging at the red rag until the tormentor finally puts an end to the agony by plunging his cold steel into the bull's brave heart.

The South today has been charging the rag waved by the Jew-communist race agitators ever since the Supreme Court decision. And the arrogant, posing "bull-fighters" are just about ready to slide their fatal sword into the beating heart of the South.

The Southern White Men, like the bull, will NOT see that the Negro is not and cannot be the real enemy, because, like the red rag of the bull fighter, the Negro is limp and helpless by himself. It is only when the easy-going, slow-witted Negro is MANIPULATED by the slick, treacherous Jew that he becomes anything more than his cannibal brothers in Africa.

In the days after the Civil War, when the affairs of men were comparatively simple, the Ku Kux Klan, with its hooded riders and terrorism, was an effective deterrent to the Negroes being pushed by the relatively crude Yankees of the North, - men like Thadeus Steven. A few beatings, hangings and cross-burnings were enough to put an end to the black tyranny, - and it was impossible to catch and convict the masked night-riders.

But with today's Negroes being run and manipulated by slick, subtle Jews like Greenberg, Head of the NAACP and Marvin Rich, the head-Jew at CORE, terrorism and violence against the Negro is EXACTLY WHAT THE ENEMY WANTS, - just as the bull fighter wants brave charges at his red rag to exhaust the bull.

In the first place, YOU CAN'T GET AWAY WITH ORGANIZED VIOLENCE AND TERRORISM ANY MORE. YOU CAN'T BEAT the helicopters, scientific eavesdroppers, lie-detectors, IBM electronic devices and crime labs of the FBI. Every attempt to terrorize the blacks back-fires, as the FBI moves in, enforces the plain words of the LAW, and TERRORIZES the terrorists.

In the second place, the Kosher dominated national press and TV capitalizes on each case of violence against a Negro, spreads heart-rending pictures of the "innocent" victim from Coast to Coast while the mush-headed "Eleanors" of the world weep and moan for the "innocent" savage, until every last American who does not live near enough any Negroes to know the race (most of White America), is bristling with outrage at the Southern "villains".

And that's the third reason the tactics of the Southerners and the Klan are so wrong, - the terror and violence attacks might be popular in the rural South, but our brain-washed and race ignorant millions in the North, West and Central parts of America see the beatings and terrorism as evidence that the South must be "put down", - that Ike was right in sending the troops to Little Rock.

The civil war was the South's effort to protect itself by violence, - and it didn't work for the same reason the same methods won't work now. In the long run brave and heroic men cannot beat overwhelming amounts of equipment and money.

The South MUST realize that it cannot "win" or even protect itself as an isolated semi-seccesionist area of the USA. As long as the other 3/4s of the Country can be inflamed with false ideas and hate of the "brutal", "prejudiced" South, the Jew-manipulated Administration can use the entire weight of the nation's moral and military force to bring the South to its knees every time, as it did at Little Rock.

Perhaps even more significant is the utterly untenable "argument" of the South for "State's Rights", - as the sneaky way to enforce segregation.

A man who is going to use mathematical proof of his arguments, and demands that his opponent admit that 2 plus 2 always equals 4 puts himself in an impossible position when he also insists that in the

special case of 2 plus 3, - the result is six. Either the rules or mathematics apply or they do not. You cannot insist that your opponent respect the rules of mathematics in one case, but that you have the right to violate those rules in the next case.

Yet that is exactly what the South insists on doing with its "State's Rights" campaign.

It demands the "right" to administer its schools as it sees fit (with segregation), because the Constitution gives the states that right.

Yet in the same breath, the South demands the "right" to disenfranchise Negroes and otherwise VIOLATE the plain language of the Constitution. It makes no difference that the Administration is violating the Constitution every day, - which it is. They have the whole force of brain-washed public opinion behind them in the rest of the Country which knows little or nothing of the realities of the Negro problem.

You cannot logically demand unbending enforcement of the laws YOU want, and also the right to violate the laws you don't like.

There is no question whatsoever that the "integration laws" of the Supreme Court and even the Amendment which tries to make "Americans" out of black Africans are wrong and bad laws. They couldn't be worse. But there are only two ways to negate those bad laws: (1) Rebellion and violence pursued to victory, - another Civil War, and (2) a legal campaign to win enough support from ALL the citizens of America (NOT JUST the South) to REPEAL the bad laws.

The Ku Kux Klan, the State's Rights parties, and, to a lesser extent, the Citizen's Councils and other Southern organizations are engaged in a hopeless and LOSING struggle to evade the bad laws making Negroes citizens and "equals", - a struggle which is doomed from the beginning. They are not seriously attempting either of the above two alternatives which could lead to real victory.

The alternative of Civil War is, of course, silly. Nobody in his right mind would imagine that the South would or could support or win such a mad venture. And the effort to EVADE the laws which have been the only defense of the South since the Integration decision has failed so obviously that only die-hard blind men could continue to believe such tactics will "save" the White South.

The blow-hard politicians who boasted so loudly that they would "go to jail" before they let a Negro in a white school are all still in office, not in jail, and there are Negroes in the white schools in most states. In most cases, these "fighting" Southern politicians have been rewarded for their faithlessness by Federal judgeships or other tokens of the esteem of the Jews. Almond has one now, Jimmy Davis quietly lay down and died, and Faubus the phony has joined Moral Rearmament and "made up" with Daisey Bates, head of the NAACP.

The Klan is forbidden to use the only tactics which would be effective (hoods and terrorism), and the Jews in the Justice Department rejoice when some desperate Southerners try a return to violence. The FBI, a thoroughly professional organization which takes orders and enforces the LAW, descends on the would-be savers of the White Race, under Justice Department orders, quickly ferrets out the "culprits" by modern and unbeatable techniques of scientific detection, and the would-be terrorists are themselves legally terrorized by Federal officers. It is a pitiful and tragic process, as the South, like the brave bull, charges again and again at the red rag of the manipulated negro provocateurs, while the Jews in the Justice Department ready their cold steel sword for the final plunge into the heart of the South.

Not until the Southern "bull" realizes how it is being played for a sucker and changes its aim to the REAL TORMENTORS, the Communist Jews who plot and plan the provocations from New York City, will there be any hope at all. And even then, it cannot be done by such outfits as the "National States Rights Party", which makes its pitch as a SOUTHERN "rebel" organization, rather than a non-regional organization. Not until the victims of the Jews in the South get together with the victims of the Jews in the NORTH can there be any hopes of stopping the infernal destruction of BOTH North and South by the rotten red conspirators. And this can NEVER be done by chauvinistic, regionalized outfits with "rebel" or "Yankee" flavors, - but only by an organization which is based on NATIONAL, LEGAL opposition to Jewish schemers, and which can win the good Irish Catholics in Boston, the race-ignorant Mid-Westerners, the factory workers and truck drivers of America, the isolated farmers, the booming Californians AND the Southern racists, - ALL the whole, Christian Americans.

The KLAN, with its violence and anti-Catholic overtones, stupidly alienates some of our BEST people and allies. The Citizen's Councils, with their purely Southern and local flavor will remain misunderstood by the rest of the Country and therefore helpless, and such outfits as the State's Rights Party, with their carbon copy of Hitler's twenty-five points and their disguised Lighteningbolt swastika, all hiding under the fake battle cry of "State's Rights", can never win anything but sneaks and old folks because of their obvious cowardice about

admitting their real racist and Nazi character.

Compromise and disguises have FAILED! Half-measures are worse than nothing. The South reeks with despair and defeat. The Communist Jews in the Justice Department and New York are sending their "Freedom" riding provocateurs into the South to madden the "bulls" in Mississippi, Alabama, etc., into their last, desperate violent attacks, so that the cold steel of federal LAWS can be driven into their brave hearts. And when Mississippi, Louisiana and Alabama are finally brought to their knees by LAW, as they will be, the rest of the South will completely collapse.

Nothing can stop the tragic last act of this pitiful bull-fight, because the Southern leaders will NOT face up to the bull-fighter and his federal sword of the LAW, they will NOT admit what they know, that it is the JEW manipulators of the Negro who must be fought and beaten, not the limp red rag of Negro agitation being waved by the provocateurs. They will continue to charge again and again at that limp red rag until the Jews plunge in their final sword-thrust in their "moment of lies".

Fortunately, however, that will not be the end of the rotten business.

The leaders have failed the people because of their cowardice and stupidity. But the PEOPLE themselves, in spite of all the brainwashing and lies to which they have been subjected, are still relatively healthy and strong, when the poison of false leadership and lies have been removed.

And to remove that false leadership and ideological poison, it will take the most powerful possible medicine, - not any more sneaking and quickie plans. It will take the uncompromising and idealistic drive of a NEW kind of politician here, just as it did in Germany when that Country was prostrate at the feet of the Jewish liars and manipulators. The "conservatives" and "State's Righters" and Klansmen are all doomed to failure by their faulty tactics. When they have failed, as they are rushing to do, the PEOPLE will have only one place to turn, and that will be the American NAZI Party. No matter how we are misunderstood, lied about and hated NOW, when all the others, with their disguises and compromises and hopeless violence have been brought to utter collapse, the people will no longer shun us and fear us as they do now. They will remember our predictions and fearless stand against their REAL enemy, and unite behind the real banner of the White Man, the Swastika. And that will be the end of the plotters, their puppets, the short-sighted wishful thinkers and the outright cowards.

The full measure of the South's mishandling of the Jew agitated Negro can be gaged from its reaction to the ONLY NEGRO LEADER in the whole situation - Elijah Muhammed.

Muhammed understands the vicious fraud of the Jewish exploitation of the Negro people and, fighting his way up from the gutters as we did, he had demonstrated truly incredible leadership abilities. He has gathered millions of the dirty, immoral, drunken, filthy-mouthed, lazy and repulsive people sneeringly called "niggers" and inspired them to the point where they are clean, sober, honest, hard working, dignified, dedicated and admirable human beings in spite of their color - even though not our biological "equals".

Muhammed knows that mixing is a Jewish fraud and leads only to aggravation of the problems that it is supposed to solve. Like Washington, Jefferson, Madison, Monroe and Lincoln - and the American Nazi Party - he preaches SEPARATION, not the segregation which had been destroyed forever by the Jewish agitation of the Negro people and the Jewish-communist manipulation of our federal government.

He has preached extermination of the Whites, perhaps, - although I suspect this is one of the Jewish lies such as the one about us preaching "extermination" of the Jews. But even if he has, the desperate situation of the 99/100 of America's Negro population who are being exploited by the Jews is so hopeless and frustrating that it is hard to blame them for reacting in such a manner. If the responsible leaders in the South, instead of stupidly adhering to hopeless methods which have led to almost complete collapse, would appropriate the millions of dollars they waste in the "battle" for segregation, to be employed by Elijah Muhammed to organize the masses of Negroes on a disciplined movement for SEPARATION, the Jewish "bull fighters" would be out of business in a trice.

Nobody can convince me that a man with the incredible leadership abilities of Elijah Muhammed is irresponsible or stupid. And with intelligent, utterly sincere backing and good will from the Southern leaders - plus many in the North who are equally aware of the race problem, Muhammed's Black Muslim movement would quickly sweep up most of America's Negroes in a great wave of unstoppable enthusiasm for geographic SEPARATION of the races, which would reduce the Jew-communist NAACP, CORE, etc., to utter impotence.

I have talked to the Muslim leaders and am certain that a workable plan for separation of the races could be effected to the satisfaction of all concerned - except the Communist-Jew agitators - the "bull fighters".

But, unfortunately, I am equally certain that the responsible Southern and other leaders plagued

by the race problem do not have the breadth of vision of the honorable Mr. Muhammed, whom they see and treat as an especially poisonous "nigger".

The outcome is as predictably tragic as the bull fight. Not until the stupid bull has "learned his lesson" and been dragged out of the arena "dead" will the race problem be solved by the bold and intelligent action required and inevitable.

'Black Muslims' Reform Negro, One Leader Says

To hear its No. 2 man tell it, the "Black Muslims" is a benevolent, philanthropic, historically rooted "religion" devoted to weaning the Negro from crime, the vices of smoking and drinking, and coveting the "white man's women."

The National Association for the Advancement of Colored People has labeled the movement "no better than the Klu Klux Klan in its racial creed."

Minister Malcolm X, second only to His Honor Mohammed Elijah in the cult, arrived in Baltimore yesterday for a four-day tour of Negro organizations.

Gives His Views

He said the movement is growing so fast it is necessary to regroup continually. But he declined to tell what its Baltimore membership is.

Last night, in Mohammed's Mosque No. 6, in the 500 block of Wilson street, the Negro leader spoke at length of his views during an interview.

Neatly dressed Negroes, all wearing shining red bow ties and pins bearing a star and crescent, looked on. No one smoked.

To Malcolm the real villains in the present drive for civil rights for Negroes are the colored integrationist leaders.

"Modern 'Uncle Toms'"

"These modern 'Uncle Toms,' repeat what the white man wants to hear in order that the few wealthy and educated among them may be accepted into white man's society," he said.

"This hypocrisy neutralizes the militant attitude of our people," he said. "Integration will not lead to human dignity."

The correct approach to the race problem, according to Malcolm, is "separation."

The Negro should devote his energies to improving his own culture and economic position, and should "abstain from a wayward life," he continued.

Why is the movement accused of spreading hate propaganda? Malcolm was asked.

"We don't spread hate. It would be a waste of time trying to teach the Negro to hate the whites. After 300 years of being enslaved and lynched and exploited, he is already overflowing with hate."

"We could add nothing to what already exists."

What about the accusation that the movement is anti-white?

Integrationists Blamed

This rumor, Malcolm replied, is circulated by the integrationists. "They all want to marry white women. We urge our followers to marry our own."

Does the "Black Muslims" predict Negro supremacy over the white race?

Even the United Nations is talking of the end of colonialism and the dominance of the world by the West, Malcolm replied. He denied preaching black supremacy in any other sense.

A tall, tan-skinned Negro with light brown hair, Malcolm X (Muslims drop their last names because these were acquired from slave masters) speaks fervently, but not irrationally about his program.

To him, democracy in America "never was, and never will be."

"Never Will Be"

Black Muslims is more than a political or nationalist movement —it is a religion that stems from the pre-slavery days of the Negro in Africa. Negroes in Nigeria, Guinea and Sierra Leone were Moslems long before Columbus discovered America, he said.

He repeated frequently the urgency of a solution to the race problem—"Negroes are tired of waiting."

Here is an article which witholds a good bit of the whole truth, -not unusual for papers which depend on Jewish advertising, -but which nevertheless makes it clear that the Muslims are the KEY to solving the Negro problem, both in the North and South. And this guy Malcolm X is no mealy-mouthed pansy like so many of the disgusting "integrationist" leaders, both black and white. He is a MAN, whom it is impossible not to admire, even when he is blasting the White Race for its mishandling of the Black Man. --(Who can blame him? Can any White MAN, worthy of the name, tell me he would not stand up and FIGHT -if he were to find himself suddenly BLACK?)

THE "WORST AMERICAN"!

After many years of heated arguments with hundreds of friends and supporters, we have finally agreed on who is the absolutely WORST American in the history of this great Nation; and the choice, hard as it was to make, is now almost unanimous.

ELEANOR!

There is no Jew-communist who can even approach old Boca Grande in dedication to everything unwholesome, unAmerican and hateful. This repulsive old red-humanitarian is trotted out every single year by the press and mind-manipulators as our most "admired woman", in spite of the fact that we can't find anything but Jews, rabid pinkos and communists, -fortunately a minority of our people, -who do not recoil in utter horror at the mere mention of this creature's very name.

And this has posed a knotty little problem for our plans.

The liver-lipped old gobbler is rapidly advancing in age, and we watch every sign of worsening health with growing horror! It would break all our hearts if Eleanor slipped away from us before we can get elected in 1972!

To prevent any such frustration of poetic justice, we have developed a special plan to make sure Mrs. Roosevelt will be around and still squawking in her phony English falsetto in 1972 when we can get the facts on her suspected Communist treason and her more than 100 Communist fronts before an American jury. If she is found guilty of treason to this wonderful Country, as we will stake our lives she will be, there are so many of our members and friends who have earned the right to "push the button" to start the gas for Eleanor, that we are planning a "button" twenty feet wide, so that all of us can get a finger on it for the delightful ceremonies at the chamber.

But there is the problem of her advanced age and worsening health. To solve this, we have formed the Committee to Keep Eleanor Going Until 1972. To become a member in good standing of the Committee, it is only necessary to join us in our program of Vitamin therapy for the old villainess. We are each sending Eleanor a vitamin pill every week

until "G" day, and we ask all patriotic Americans to do likewise.

We must caution committee members, however to resist temptation, no matter how strong.

Make sure the pills are VITAMINS.

JEW BOOK-BURNERS

As I write this, we are in the middle of a most satisfying skirmish with the Jewish lovers of tolerance and free-speech.

Although the Maryland areas around Washington literally swarm with Jews, a Jew named Samuel Yudkin, who runs a book-store in Alexandria, Va., and at the National Airport nearby, was chosen by the brotherhood to go over into Maryland and break the latter state's laws against the filthy and immoral book, "Tropic of Cancer". This super-Jew purposely went over there to break down the last barriers of our race and Nation against the flood of Jew-published pornography which is helping to make monsters out of some of our teen-agers, -and every attempt of our people to protect themselves from this vicious "literature" is blasted by the Jews as "book-burning". The Maryland Courts very properly gave him six months in jail for his deliberate and arrogant violation of its laws, -but that was expected by the Hebes, and it will be thrown out by one of the Federal or the Supreme Court.

Meanwhile, the Kike chorus in all the kept-press is wailing and moaning about the terrible censorship and the book-seller's right, -nay, DUTY, -to sell ALL books, no matter how filthy, etc. Every issue of the paper has some article or letter by a "liberal" or Jew standing four-square for absolute freedom for booksellers and books of all kinds.

In the midst of this self-righteous crusade by the Jews against book-burning, we managed to confound them by getting out "THIS TIME THE WORLD", my autobiography, in spite of all their terrorism and conspiring. And the demand for our book is so tremendous, in spite of the utter black-out of its birth, that the Benjamin Franklin book-store, right opposite the Justice Department on Pennsylvania Avenue, asked us for five copies. They sold them, at ten dollars each, in two days, and ordered more. Again they sold out in no time, and ordered still more. There is no sign of a let-up, as word-of-mouth alone sends Americans out searching for the truth. The demand for "THIS TIME THE WORLD" is so great, in fact, that it is already being sold as a collectors item by an ad in "The Shotgun News" at fifteen dollars per copy!

Nevertheless, the same Jews who are ready to go to jail to make "Tropic of Cancer" and its corrupting filth available to our teen-agers, are using open threats to STOP the sale of "THIS TIME THE WORLD!", and, naturally, refuse to sell the book in their book-stores.

This places them in a MOST embarrassing position, and we intend to make the greatest kind of impression on the public of their vicious and criminal hypocrisy. We shall start to picket stores where they are selling "tropic of Cancer", but refuse to stock "THIS TIME THE WORLD!", in spite of public demand. It will be interesting to hear the Hebrews explaining their divergent attitudes on the two books, --one filthy and demoralizing, the other book, clean and factual. They can't win!

KOSHER CONSERVATIVES

In the near future, we will publish an expose of the latest Jewish attempt to prevent the revival of our people, by setting up and leading a burgeoning host of "conservative" and "right-wing" groups which have, as their only real purpose, the MIS-leading of the right-wing revival so that it will sputter itself out harmlessly, instead of becoming the mass anti-Jewish, (and therefore anti-Communist and pro-White-race) uprising which they fear will happen here, as it did in every other Country where their depradations went as far as they have here.

We have the GOODS on the "Young Americans For Freedom", which is bilking millions of awakening young Americans in the colleges. We have the documentary evidence of WHO really leads these patriotic young people and WHY.

In addition, we have the evidence, the startling, astounding evidence of what we call the "Kosher Conservatives", -outifts like the "Christian Anti-Communism Crusade led by Fred Schwarz, who are doing to the adults what the "Young Americans for Freedom" are doing to the kids.

Don't miss this issue of the "ROCKWELL REPORT", -an issue which will drop a bombshell into the Kosher Conservatives, just as our shocking expose of the phony "conservative", Barry Goldwater, electrified honest Americans who were taken in by this Jewish "leadership" of the arising force of American patriotism, called "right-wing-extremism"!!
